A meeting was held in the Chamber of the Secretary, Ministry of Law and Justice on 7.11.2008 at 4.00 P.M. The meeting was attended by Shri Anil Kumar, Secretary, Ministry of Women and Child Development, Smt. Kiran Chodho, Joint Secretary, Ms. S. Vasudevan, Joint Director, Ministry of Women and Child Development, Shri S. Chatterjee, Member Secretary and Law Officer of NCW.

The Secretary, Ministry of WCD brought to notice of the Secretary, Ministry of Law regarding the suggestions given by the Additional Legal Advisor, Department of Legal Affairs suggesting suitable changes in the proposed bill with respect to punishment for false or malicious complaints and inclusion of the separate chapter for unorganized sector in the draft bill.

The Secretary, Ministry WCD stressed upon the need to do away with the proposed Section 12 in the Draft Bill which provides for punishment for false or malicious complaints. It was pointed out to the Secretary, Ministry of Law that such a provision would only deter women from filing complaints relating to Sexual Harassment at Work place. Further, as the evidence itself in Sexual harassment cases is not forthcoming and mainly dependent upon corroborative evidence, in such cases there is a possibility that cases not proved may be interpreted by the employer as being false and malicious.

It was agreed to do away with the proposed Section 12 in the draft bill and the Secretary, Ministry of Law while agreeing with the suggestion of the Secretary of Women and Child stressed upon the need to have a separate and a detailed chapter relating to the unorganized sector. This was agreed upon and it was requested that the Ministry of Law and Justice may suitably amend the draft bill at the earliest.

Ministry of Law and Justice  
Legislative Department

The proposal of the Ministry of Women and Child Development to enact a legislation for Prevention and Redressal of Sexual Harassment against Women at Workplace was concurred in by this Ministry on 21<sup>st</sup> March, 2006 vide our Notes at page 20 ante.

2. However, the Ministry of Women and Child Development, after making consultation with various Non-Governmental Organisations, the National Commission for Women and other concerned/interested persons about the contents of the draft Bill, has forwarded a proposal for making certain modifications in the draft Bill, viz., omission of clause 12 of the Bill and for extension of the provisions of the Bill to unorganised sector.

3. The said proposal for modification was discussed with the Joint Secretary (Smt. Kiran Chanda) from the Ministry of Women and Child Development and the Member-Secretary (Sri S. Chatterji) and Law Officer (Sri Yogesh Mehta) from the National Commission for Women, in the Chamber of JS&LC (Shri S.R. Dhaleta) where the undersigned was also present.

4. As regards the proposal to omit clause 12 is concerned, the Ministry of Women and Child Development is of the view that the provisions of clause 12 which provides punishment for false or malicious complaint and false evidence may deter women from filing complaints relating to sexual harassment at workplace and mere failure to prove such complaints may be interpreted adversely against women thereby attracting provisions of said clause 12. In this regard, it may be stated that such view is totally unfounded. Retention of clause 12 is essential to check false and malicious complaints being filed and giving false evidence. If clause 12 is omitted, it may lead to situations similar to those being faced in respect of Domestic Violence cases, Dowry Harassment cases, etc. In order to have a law which is balanced, neutral and gender-equal, it is important to retain the said clause 12. Further, our view is in consonance with the view of the Department of Legal Affairs in this regard. So, we may retain clause 12.

5. As regards the proposal to extend the provisions of the Bill to unorganised sector is concerned, it may be stated that the ~~contents~~ of the draft Bill, covering unorganised sector has already been covered within the ambit of the proposed legislation and definitions of employee, employer and the workplace include the unorganised sector also. As there is no ambiguity about the unorganised sector falling within the ambit of the legislation which is agreed to by the above referred officers in the meeting, there is no need to make any changes in the draft Bill in this regard.

6. In the above said meeting, the Ministry of Women and Child Development requested that the definition of "aggrieved woman" be widened to include the university students, research scholars, etc, since a large number of sexual harassment cases are being reported by them. If agreed to by the said Ministry, the definition of "aggrieved woman" may be amended as under-

"(a) "aggrieved woman", in relation to a workplace, means a woman against whom the act of sexual harassment has been committed.'

OR

"(a) "aggrieved woman", in relation to a workplace, means a woman against whom the act of sexual harassment has been committed and includes an employee, student, research scholar, patient, etc.,".

7. We may, in the first place, seek confirmation from the Ministry of Women and Child Development for amendment of definition as above. JS&LC may please see for approval.

Re: Note a/copd-

2. The file relates to enacting of a legislation for prevention and redressal of sexual harassment against women at work place. The proposals were concurred by Leg. Deptt. on 21.03.06 (P20/05).
3. MoW&CD proposed the following modifications in the Draft Bill:-

- 1) Omission of Clause 12 of the Bill which provides punishment for false or malicious complaints and false evidence.
- 2) Extension of the provisions of the Bill to unorganised sectors.

4. Leg. Deptt. has opined that retention of Clause 12 is essential to check false and malicious complaints to have a balanced law natural and gender-equal.

5. With regards to extension of provisions of the Bill to unorganised sectors, Leg. Deptt. has opined that unorganised Sectors have already been covered within the ambit of the proposed legislation and definition of Employee, Employer and Workplace include the Unorganised Sectors also.

6. Leg. Deptt. while referring to the request of MoW&CD for widening the definition of "Aggrieved Woman" has proposed the definition of "Aggrieved Woman" as

Amend:-

- (a) "aggrieved Woman" in relation to a workplace means a woman against whom the act of sexual harassment has been committed; OR
- (b) "aggrieved Woman" in relation to a workplace means a woman against whom the act of sexual harassment has been committed. This includes any employee, student, research scholar, intern, etc."

(cont'd p. 94)

Minew for confirmation to the proposed  
definition of "aggrieved woman".

The notes of the Legislative  
Dept., M/Law & Justice no P 91/N may pl.  
be seen.

We need to take a view on  
two issues.

(1) The issue of retention or otherwise of the provisions  
relating to false or malicious complaints (Clause 12).

On this issue the HC, NCA was of  
the strong view that such a provision will discourage  
victims to come forward with their complaints.

The views of the Legislative Dept.,  
M/Law & Justice (para 9) may pl. be seen at P 91/N

On my part, I fail to appreciate the apprehensions of ICW. I think there should be no two opinions on the fact that a special piece of legislation like this should, at the very least, aim to be a complete code in itself.

For example, the Indian Penal Code, which is the primary & supreme criminal law, contains provisions relating to forged documents, false evidence etc. and prescribe punishment for such offences. It can consist of several special legislations which contains provisions to that case of false & malicious complaints.

It must be kept in mind that all unproven allegations are not false/malicious. In the instant case, a respondent would be required to produce evidence to the effect that his complaint made against him is false or filed with malafide intention. If such evidence is produced, it would be unreasonable to hold that remedy against another false/malicious action has to be sought elsewhere.

On view of the above I am of the opinion that we may not insist on removal of clause 12.

(2) So far as the applicability of the coverage of the act to women who may not be employed in a workplace is concerned, the suggestions of the Legislative Department, H/Law & Justice and the DC(WO) may be pursued.

I suggest the following definition in respect of sub-clause (2) of clause 2.

"Aggravated woman", with respect to the provisions of this Act means a female, of any age, against whom any act of sexual harassment is alleged to have been committed, whether or not such female is employed in the workplace where such act of sexual harassment is alleged to have been committed."

I feel, certain other amendments may be required in the proposed legislation. They are as follows:

clause 3 : "No female" instead of "No woman employee". And in the clause 11(1) : "Any person --- or where no such service rules have been made or applicable to the person aggrieved ---"

instead of the present provision.  
Sub-clause 1, Clauses 10, 11, 12, 13, 14, 15, 16, 17, 18, 19, 20, 21, 22, 23, 24, 25, 26, 27, 28, 29, 30, 31, 32, 33, 34, 35, 36, 37, 38, 39, 40, 41, 42, 43, 44, 45, 46, 47, 48, 49, 50, 51, 52, 53, The matter was discussed with the Secretary(WCD) on 1.4.2009.

Accordingly, in view of the recommendation of the Legislative Department, Ministry of Law & Justice at para 4 (p.91/N) we may not press for deletion of cl. 12 in the draft Bill.

2. The recommendation of the Legislative Department, Ministry of Law & Justice regarding change in definition of "aggrieved woman" may be agreed to with a minor correction as follows :-

*'Aggrieved woman' in relation to a work place means a woman, of any age, against whom an act of sexual harassment has been or alleged to have been committed and includes an employee, student, research scholar, patient, etc.'*

3. In view of the proposed change in the definition of 'Aggrieved Woman' in sub-clause(a) of clause(2) the following consequential amendment would be required :-

- (i) The clause 3 of the proposed legislation may be replaced with the following as under

*"At any workplace, no woman, of any age shall be... or by other actions, which may include, but not limited to..."*

- (ii) In sub-clause (1) of clause 16 after the words "or where no such service rules have been made", the following words "or applicable to the person who is so aggrieved" may be added.

This is needed to take care of the situation described in para 10 of the judgement of the Apex Court w.r.t. third party harassment.

- (iii) In sub-clause(h) of clause 17 after the words "*the conclusion of the enquiry*" the following words "*or without waiting for the enquiry where the perpetrator is not an employee in the workplace where the incident of sexual harassment has taken place*" may be added.

This is also for taking care of third party harassment.
